

ALEXIS GUIDAS
PHOTOGRAPHY

2026-2027 Edition
WEDDING
investment guide

Welcome!

First of all, congratulations! This is such an exciting season of life, and I am truly honored that you are considering me to be part of your wedding day. Photography is more than simply capturing moments—it's about preserving the emotions, details, and love that will tell your story for generations to come.

This guide was created to help you every step of the way. Inside, you'll find everything from what to expect during your wedding experience, to helpful tips on planning your timeline, and details about the collections I offer. My goal is to make this process feel seamless, enjoyable, and stress-free so you can focus on what matters most—celebrating your love.

As your photographer, I will be more than just someone behind the camera. I'll be a calming presence, an extra hand when needed, and a storyteller dedicated to capturing every beautiful, fleeting moment of your day.

Thank you for trusting me with such a meaningful role. I cannot wait to walk alongside you in this journey and create timeless images you'll treasure forever.

With love and excitement,
Alexis

Travel & Destination Weddings

I have a deep love for travel, and I'm always thrilled to journey wherever your love story takes you. For weddings located more than 45 minutes from the Pine Grove / Schuylkill Haven area, a second photographer and/or assistant will be included to ensure every moment is captured seamlessly. (Pricing will vary depending on the photographer/assistant.)

For venues requiring extended travel, hotel accommodations for the night will be necessary, along with coverage of travel expenses. This allows me to arrive rested, fully present, and ready to document your day with the care and artistry it deserves.

Whether your celebration unfolds close to home or across the map, my commitment remains the same: to preserve your story with elegance, intention, and timeless beauty.

WEDDING PACKAGE ADD ONS

Second shooter | Add a second photographer to any package

****Rate per hour depends on second photographer****

\$25/hr (Beginner photographer)

\$50-\$100 (Professional/Experienced Photographer)

Optional: If you are comfortable, a beginner photographer may serve as a second shooter alongside Alexis instead of a pro. This provides them valuable experience while still ensuring your day is fully documented.

What Is a Second Photographer?

A second photographer works alongside me to capture candid moments, alternative angles, and events happening at the same time. From reactions during the ceremony to behind-the-scenes details, this collaboration ensures a fuller, more complete gallery filled with the moments you might otherwise miss.

Why Add a Second Photographer?

- Captures both perspectives (bride + groom prep, reactions, details).
- Covers multiple moments happening at the same time.
- Ensures nothing is missed, from big emotions to small details.
- Provides a fuller, more complete wedding gallery.

WEDDING PACKAGE ADD ONS

Additional hours | \$300/hour OR \$150/half hour
(only available to add to an existing package)

Content Creation | Starting at \$150

Looking for behind-the-scenes moments and candid highlights in addition to photography—or even on their own? My content creation service provides real-time, authentic coverage of your day in a more casual, creative style.

Rates:

- \$75/hr — Add to any existing wedding package
- \$600 — 8 hours of coverage; **Content creation services only — professional photography is not included.**
- \$900 — 12 hours of coverage; **Content creation services only — professional photography is not included.**

Travel and any additional expenses are not included.

Why Book a Content Creator for Your Wedding Day?

A content creator captures the moments photos can't—the laughter, hugs, and all the little details in motion. They provide shareable, polished videos that tell the story of your day, from behind-the-scenes prep to your first dance, all without interrupting the flow of your celebration. It's the perfect way to relive the magic beyond still photos.

WHAT TO EXPECT: FROM INQUIRY TO YOUR BIG DAY

1.) INQUIRY + BOOKING

From the moment you inquire, we'll talk through exactly what you're looking for—such as the number of hours of coverage, whether a second photographer is needed, and any other important details. Once we've finalized everything, we'll move forward with booking your date!

2.) QUESTIONNAIRE, SIGNING OF CONTRACT + RETAINER

Once you're ready to move forward, I'll send over your personalized booking link. From there, you'll complete a questionnaire, sign the contract, and pay your retainer to officially secure your date.

3.) PHONE CALL, ZOOM, OR IN-PERSON MEETING

While completely optional, I love connecting with my couples a few times before the wedding day! We might start with a simple phone call or Zoom chat to answer any initial questions, then meet again later—either in person, during your engagement session, or closer to your wedding date. These check-ins give us time to review your vision, talk through details, and go over a basic wedding timeline together. It doesn't have to be finalized right away, but you'll send me your official timeline at least 2 weeks prior to your wedding. If you'd like, I can also help create a customized timeline to keep your day running smoothly.

4.) YOUR BIG DAY!

The big day is finally here—yay! My biggest piece of advice? Soak it all in. This day is about you two, and it will go by faster than you think. I'll be there to capture the big moments, the quiet details, and everything in between. Trust me to handle the photos so you can focus on being fully present and enjoying every second of this once-in-a-lifetime day.

FREQUENTLY ASKED QUESTIONS

IS THERE A RETAINER?

Yes, a 50% non-refundable retainer is required at the time of booking and contract signing. This amount is applied toward your total balance.

WHEN IS THE FINAL PAYMENT DUE?

I ask that your final payment be completed 2-7 days prior to your wedding day. The latest I can accept payment is the day before your wedding. Payments on the wedding day itself are not accepted unless we've discussed and agreed upon it in advance.

FREQUENTLY ASKED QUESTIONS

WHEN CAN I EXPECT TO RECEIVE MY COMPLETED WEDDING GALLERY?

I aim to deliver a small set of sneak peeks within 24–48 hours of your wedding day. Your full gallery will typically be ready within 2–12 weeks, depending on the season and my current workload. If for any reason the delivery timeline differs, I will communicate that with you in advance.

CAN WE PROVIDE A LIST OF MUST-HAVE SHOTS?

It depends on the request! I always encourage couples to provide a list of must-have group photos to ensure nothing important is missed. For candid or emotional moments—such as a parent’s reaction—it can be difficult to guarantee, as those moments happen naturally. That said, I will always do my very best to capture the moments and requests that are most meaningful to you.

FREQUENTLY ASKED QUESTIONS

DO YOU OFFER PAYMENT PLANS?

Yes! If you book your wedding far enough in advance, I do offer flexible payment plans. A non-refundable retainer of \$200 is required to secure your date, and from there you may choose to make smaller payments weekly, monthly, or on a schedule that works best for you. Please note that payment plans are not available for weddings booked within two weeks of the wedding date. The remaining balance must be paid in full no later than 2-7 days prior to your wedding.

WHEN SHOULD I BOOK MY WEDDING PHOTOGRAPHER?

As soon as possible! Wedding photographers often book up quickly—sometimes a year or more in advance. If you've found a photographer you'd love to work with, it's best to secure your date right away to ensure availability!

FREQUENTLY ASKED QUESTIONS

HOW MANY PHOTOS CAN I EXPECT TO BE DELIVERED BACK TO ME?

The number of photos delivered varies based on the length of coverage and the size of your wedding. While there is no exact set number, couples can typically expect a minimum of 50 images per hour of coverage.

DO YOU PROVIDE FOOD FOR A WEDDING PHOTOGRAPHER?

Yes! While it may feel like a small detail, providing a meal for your photographer is greatly appreciated. Wedding days are long and fast-paced, and a short break to eat ensures I can stay energized and fully focused on capturing your day. Even just 10 minutes to recharge makes a big difference.

FREQUENTLY ASKED QUESTIONS

DO YOU WATERMARK YOUR PHOTOS?

No, your wedding photos will not have watermarks—you are free to share them as you wish! While it's never required, I always appreciate being tagged or credited when you share your images!

DO YOU OFFER ENGAGEMENT SESSIONS?

Absolutely! I highly recommend scheduling an engagement session with your photographer before the wedding day. All of my wedding packages include a complimentary engagement session when you book with me, giving us the perfect opportunity to connect and get comfortable in front of the camera before your big day.

FREQUENTLY ASKED QUESTIONS

HOW WILL WE RECEIVE OUR PHOTOS WHEN THE GALLERY IS COMPLETED?

You will have access to your online gallery beginning with the delivery of your sneak peeks and lasting for one year after your fully edited gallery is delivered. In addition, you will receive a custom USB and keepsake box containing all of your edited wedding images. The USB will hold all your precious memories from your big day!

WE WANT TO BOOK YOU, BUT ONLY NEED YOU FOR A COUPLE OF HOURS. ARE YOU FLEXIBLE WITH THIS?

Yes, I can absolutely accommodate shorter coverage. For example, if you would like photography for just the ceremony and part of the reception, I can create a custom package tailored to your needs. Simply let me know what you have in mind!

FREQUENTLY ASKED QUESTIONS

DO WE GET PRINTING RIGHTS TO THE IMAGES?

Absolutely! Your gallery includes print rights, allowing you to create prints, canvases, albums, and other keepsakes of your choice.

DO YOU OFFER REFUNDS IF WE NEED TO CANCEL OR RESCHEDULE?

Refunds may be issued; however, the 50% retainer is non-refundable. The retainer is designed to secure your wedding date on my calendar and protect against potential cancellations or rescheduling.
