WEDDING
investment guide

Welcome!

To the beginning of your forever...

First of all, congratulations. This is such an incredibly sacred, exciting season of your lives, and I am deeply honored that you are considering me to document it.

To me, wedding photography is so much more than simply documenting the events of a day. It is about preserving the emotions, the quiet glances, and the human connections that grow more precious with every passing year. These photographs are the beginning of your visual legacy.

This guide was intentionally designed to walk you through every step of the wedding experience. Inside, you will find details on my curated collections, a glimpse into my creative process, and helpful guidance for planning your timeline. My goal is to make this journey seamless, stress-free, and enjoyable so you can focus entirely on what matters most—celebrating your love!

I am here to be more than just a person behind a lens. I will be a calming presence, a reassuring hand, and a dedicated storyteller. Thank you for trusting me with such a meaningful role. I cannot wait to create timeless images you will treasure for a lifetime.

With love and excitement,
Alexis

Meet the Photographer

Hi, I'm Alexis! I'm so glad you're here! I know how much heart goes into this season of your life, and it truly means so much that you're considering me to capture one of the biggest days of your lives.

I started photographing weddings in 2022, and it didn't take long for me to realize just how much I love documenting love stories. I'm drawn to the real moments—the butterflies before you walk down the aisle, the happy tears during your vows, the way your family and friends celebrate alongside you, and all of the little in-between moments you may not even realize are happening. Those are the memories that become priceless over time.

Since beginning my wedding photography journey, I've had the incredible privilege of photographing weddings throughout Pennsylvania as both a lead photographer and second photographer. I'm honored that so many couples have trusted me with one of the most important days of their lives. With my 2026 season already filling up and couples already securing their 2027 wedding dates, I would absolutely love to add your love story to my calendar, too!

On your wedding day, I'm not just there with a camera. I'm there to help you take a deep breath when the nerves kick in, fluff your dress, fix your veil, and make sure you feel completely comfortable being yourselves. My goal is for you to be fully present while I preserve every meaningful moment.

My hope is that years from now, when you look back through your wedding gallery, you won't just remember what your day looked like—you'll remember exactly how it felt. If that sounds like the kind of experience you're looking for, I would be truly honored to be part of your story.

This is Me!

Travel & Destination Weddings

I have a deep love for travel and am always thrilled to journey wherever your love story takes me. For weddings located more than 45 minutes from the Pine Grove / Schuylkill Haven area, a second photographer and/or assistant will be included to ensure every moment is captured seamlessly. (Additional fee will apply depending on the photographer or assistant required.)

For venues requiring extended travel, overnight accommodations and coverage of travel expenses will be necessary. This ensures I arrive rested, fully present, and ready to document your day with the care and artistry it deserves.

Whether your celebration is close to home or across the map, my commitment remains the same: to preserve your story with elegance, intention, and timeless beauty.

WEDDING PACKAGE ADD ONS

Second Professional Photographer

A second photographer works alongside me to capture alternative angles, candid guest reactions, and events happening simultaneously (such as partner prep).

- **Experienced Professional Second Photographer:** \$50-\$100 / hour (dependent on specific associate)
- **Associate Apprentice:** \$25 / hour (A wonderful option for couples wanting extra coverage on a budget, allowing an aspiring photographer to gain experience under my direct supervision.)

What Is a Second Photographer?

A second photographer works alongside me to capture candid moments, alternative angles, and events happening at the same time. From reactions during the ceremony to behind-the-scenes details, this collaboration ensures a fuller, more complete gallery filled with the moments you might otherwise miss.

Why Add a Second Photographer?

- Captures both perspectives (bride + groom prep, reactions, details).
- Covers multiple moments happening at the same time.
- Ensures nothing is missed, from big emotions to small details.
- Provides a fuller, more complete wedding gallery.

Why Book a Content Creator for Your Wedding Day?

A content creator captures the moments photos can't—the laughter, hugs, and all the little details in motion. They provide shareable, polished videos that tell the story of your day, from behind-the-scenes prep to your first dance, all without interrupting the flow of your celebration. It's the perfect way to relive the magic beyond still photos.

THE BOOKING PROCESS: WHAT TO EXPECT FROM INQUIRY TO YOUR BIG DAY

1.) INQUIRY + BOOKING

From the moment you inquire, we'll talk through exactly what you're looking for—such as the number of hours of coverage, whether a second photographer is needed, and any other important details. Once we've finalized everything, we'll move forward with booking your date!

2.) QUESTIONNAIRE, SIGNING OF CONTRACT + RETAINER

Once you're ready to move forward, I'll send over your personalized booking link. From there, you'll complete a questionnaire, sign the contract, and pay your retainer to officially secure your date.

3.) PHONE CALL, ZOOM, OR IN-PERSON MEETING

While completely optional, I love connecting with my couples a few times before the wedding day! We might start with a simple phone call or Zoom chat to answer any initial questions, then meet again later—either in person, during your engagement session, or closer to your wedding date. These check-ins give us time to review your vision, talk through details, and go over a basic wedding timeline together. It doesn't have to be finalized right away, but you'll send me your official timeline at least 2 weeks prior to your wedding. If you'd like, I can also help create a customized timeline to keep your day running smoothly.

4.) YOUR BIG DAY!

The big day is finally here—yay! My biggest piece of advice? Soak it all in. This day is about you two, and it will go by faster than you think. I'll be there to capture the big moments, the quiet details, and everything in between. Trust me to handle the photos so you can focus on being fully present and enjoying every second of this once-in-a-lifetime day.

FREQUENTLY ASKED QUESTIONS: BOOKINGS & PAYMENTS

1.) IS THERE A RETAINER?

Yes. A 50% non-refundable retainer is required at the time of booking and contract signing. This retainer secures your wedding date and is applied toward your total balance.

2.) DO YOU OFFER PAYMENT PLANS?

Yes! For weddings booked in advance, I offer flexible payment plans. A minimum non-refundable retainer of \$500 is required to secure your date, with the remaining balance split into scheduled payments. All balances must be paid in full at least 30 days prior to the wedding. Payment plans are not available for weddings booked within two weeks of the wedding date.

3.) WHEN IS THE FINAL PAYMENT DUE?

Final payment is due at least 30 days prior to your wedding day. Payments are not accepted on the wedding day unless previously discussed and approved.

FREQUENTLY ASKED QUESTIONS: BOOKINGS & PAYMENTS

4.) WHEN SHOULD I BOOK MY WEDDING PHOTOGRAPHER?

As soon as possible! Wedding dates often book 6-12 months in advance, especially during peak season. Once you've found a photographer you love, securing your date early is highly recommended!

5.) DO YOU OFFER REFUNDS IF WE NEED TO CANCEL OR RESCHEDULE?

Refunds may be issued; however, the \$500 OR 50% retainer is non-refundable. The retainer is designed to secure your wedding date on my calendar and protect against potential cancellations or rescheduling.

Payments may be made via cash, check, Venmo, or Cash App

Most couples choose 6–8 hours for full-day coverage. I'm happy to help you decide based on your timeline and priorities.

2.) WE WANT TO BOOK YOU, BUT ONLY NEED YOU FOR A COUPLE OF HOURS. ARE YOU FLEXIBLE WITH THIS?

Yes, I can absolutely accommodate shorter coverage. For example, if you would like photography for just the ceremony and part of the reception, I can create a custom package tailored to your needs. Simply let me know what you have in mind!

3.) DO YOU OFFER CUSTOM PACKAGES?

Absolutely! If none of my standard collections fit your needs, I'm happy to create a custom option.

FREQUENTLY ASKED QUESTIONS: COVERAGE & PACKAGES

5.) IS A SECOND PHOTOGRAPHER INCLUDED?

Second photographer coverage is included in select collections and may be added to others if desired.

1.) DO YOU HELP WITH THE WEDDING TIMELINE?

Yes! I'm happy to review or help build a photography-friendly timeline to ensure your day flows smoothly and feels stress-free.

2.) WHEN SHOULD WE SEND YOU OUR DETAILS?

I typically reach out 4–6 weeks before your wedding to collect timelines, family photo lists, and important details, unless more time is needed to finalize things.

3.) WHAT HAPPENS IF OUR TIMELINE RUNS LATE?

I understand that weddings don't always run exactly on schedule. I'll do my best to adapt and capture everything as planned! Additional coverage may be added if needed.

FREQUENTLY ASKED QUESTIONS: PHOTOS, EDITING, & DELIVERY

1.) HOW WILL WE RECEIVE OUR PHOTOS WHEN THE GALLERY IS COMPLETED?

The number of photos delivered varies based on the length of coverage and the size of your wedding. While there is no exact set number, couples can typically expect a minimum of 50 images per hour of coverage.

5.) CAN WE PROVIDE A LIST OF MUST-HAVE SHOTS?

It depends on the request, but yes! I encourage couples to provide a list of must-have family and group photos to ensure nothing important is missed. While candid moments can't be staged or guaranteed, I am always attentive and intentional about capturing meaningful moments as they happen.

6.) DO YOU DELIVER RAW FILES?

No. RAW files are not delivered, as they are unfinished images and do not represent my final work.

1.) HOW WILL I RECEIVE OUR PHOTOS?

You'll receive an online gallery beginning with your sneak peeks, followed by your full edited gallery. A USB will also be provided with your images.

A FEW HELPFUL TIPS

TIMELINE BREATHING ROOM

Building small buffers into your timeline helps your day feel calm and allows us to capture moments without rushing.

FAMILY PHOTOS MADE EASY

Keeping your family photo list short and assigning a helper to gather people makes this part of the day smooth and stress-free.

UNPLUGGED CEREMONIES

Consider asking guests to put phones away during the ceremony so everyone can be fully present — and your photos stay timeless.
